Recently, a self-called “father Kleomenis”, wearing a clerical robe, has been vandalizing monuments and installations stating in the videos posted on the internet that he acts in defense of the Christian Orthodox faith.

We would like to make clear that this person is neither a monk nor a priest of the Orthodox Church of Greece.

We disapprove his illegal actions, being absolutely irrelevant to the Word of Love and Gentleness of our Lord Jesus Christ, and we express our solidarity to those who have been offended by this person.

On the occasion of this case, we ask the people to be very careful in similar occasions of persons wearing clerical robes and presenting themselves as supposedly monks or priests of the Orthodox Church.
