*Dear Prime Minister Naftali Bennett,*

On behalf of the Greek Jewry we would like to congratulate you on your election as Prime Minister of the State of Israel.

For many years you have served the Jewish State with great devotion and insightfulness and we are sure that your skills will mark a new era in Israel's relations with the international community, as well as with the Jewish Diaspora.

We wish you and also to the Alternate Prime Minister Yair Lapid every success on your new positions and we hope that you will bring unity among the Jewish people in Israel, as well as in Jewish Diaspora.

It is well known that the Jewish Diaspora needs to have strong ties and relations with the State of Israel and we are certain that during your term these ties will be further enhanced and developed.

The Greek Jewish Community is an active bonding link between Greece and Israel. We are proud for the ongoing enhancement of the strategic relations between the two countries which will only lead to a multitude of benefits for both peoples, as well as for the peace and stability of the East Mediterranean region.

In this spirit, we look forward to welcoming you soon in Greece as Prime Minister of Israel and share with you the rich Greek Jewish heritage.

Sincerely Yours,

The President

**David Saltiel**

The Secretary General

**Victor Isaak Eliezer**
