Dear David,

For many years, you have distinguished yourself for your tireless work in the promotion of the memory of Holocaust, the restitution of Holocaust-era property and the wellbeing of Holocaust survivors in Greece and across Europe.

In recognition of your dedication and leadership, I am honoured to appoint you, on behalf of the European Jewish Congress, as Representative on Restitution issues, effective upon your acceptance.

I am delighted to be able to count on your expertise and experience in this crucial task and I look forward to continuing our close cooperation on these and other issues.

Sincerely,
